

Camp McLoughlin Leaders Guide 2025

Welcome to Summer Camp!
Let the adventure begin!

Camp Address : OR-140, Klamath Falls, OR 97601

Rev 06/6/25

Dear Campers,

Welcome to Camp McLoughlin! As we gear up for an exciting summer ahead, we invite you to embark on a thrilling adventure awaiting us at camp. Do you have what it takes to survive summer camp? This year's theme is Survivor and we are excited to have you with us on this outdoor adventure. Scouts will need to work together to "survive" camp by learning Scout skills, working on their technique at the range and successfully competing against the rest of the camp. Don't worry; we'll help you develop the skills to make it through all the adventures at camp and make sure you make it off our deserted island!

We strive to keep camp a safe and comfortable place and one you and your Cub Scouts will enjoy. We continue to change and progress our camp so we can retain the best of our traditions while creating new experiences for all. This is vital to the cub's experience. Being challenged and stretched to learn in new ways through different experiences is an important part of Scout life.

Camp McLoughlin hopes that the outdoor experiences that the youth have while at camp will allow them to have a better idea of the conservation aspect of Scouting, to be empathetic to the outdoors, and to build on the relationship that Scouting has with the outdoors and the wilderness.

Camp McLoughlin has five program areas for Cubs: Nature, Scout Craft, Aquatics, Shooting Sports, and Handicraft. While the activities in each area rotate every year with a new theme, the quality and safety of our program are our top priorities. New this year is a more advanced Webelos and Arrow of Light program! Check out the rest of this guide to find out more!

Our staff have worked hard to prepare an amazing experience for all our Scouts and their parents and leaders. We are excited to host you this summer! Welcome to Camp McLoughlin!

See you at camp!

Why Summer Camp?

Camp McLoughlin for Cub Scouts is designed to foster a love for and appreciation of the outdoors. Setting a pattern for nature, conservation, skills in the outdoors, crafts and games in a theme-based camping environment is the reward we will deliver. Having fun and learning through the Outdoor Code will set a pattern for character and honesty that Scouts exemplify.

All that we do at camp is guided by the core mission of Scouting America, which relies on the steady and constant application of our Scouting aims guided by our trained staff: character development, citizenship training, personal fitness, and leadership development.

When Making Your Reservation:

Fill out your pack roster completely when final payment is made on May 1st. The camp must know who will be at camp at all times, especially if there is an emergency. Make sure all adults are listed, even if they only plan to stay part of the session.

Sharing a campsite with another pack may be necessary. Please be courteous to your neighbors and share the space appropriately.

Refund Policy:

Initial deposits, if applicable, are non-refundable.

Paid registrations can be transferred to another participant of the same type who was not previously registered to attend.

Individuals who cancel their reservation 30 days or more before the reservation/event date will receive a full refund less a 10% administrative fee.

Cancellations between 29 and 15 days before the event, will receive a 50% refund of all fees paid (minus, if applicable, any non-refundable deposits).

No refunds will be provided for cancellations 14 days or less before the event. *

Refund requests must be submitted to the Pacific Crest Council within 30 days of the conclusion of the event. All refund requests should be submitted to billing@pccscouting.org.

ARRIVAL, PARKING, CHECK-IN

We are excited to have you and your Cub Scout at camp. Staff will be working on last-minute preparations, so please stay in the parking lot until you are greeted. Our parking lot is small, so plan to carpool as much as possible. Staff will be available to help you back into your parking space safely. Once you are parked, a staff member will meet you to give you further instructions.

Pack arrival times will be from 12:30-2:00pm. You will be met by a staff member, who help you get checked in at the parking lot before heading down to your campsite. Medical checks will be done in the parking lot prior to entering camp. Please do not unpack belongings from your vehicles until instructed by the staff. Opening ceremony will begin promptly at 2:15pm. If you arrive closer to 2:00pm, you will have to wait to unpack your gear until the time allotted for the camp tour for your campsite.

IMPORTANT NOTES!

- Please make sure you have a copy of your **pack roster and medical forms** for all youth and adults in your pack. One adult should be in charge of all the paperwork.
- **Eat before you arrive!** The first meal at camp will be dinner. Fruit and other snacks will be available in the trading post.
- Have your **swimsuit and towel** easily accessible. Part of the camp tour will be the required swim test and having swimsuits on or ready to change into upon arrival will speed up the process.
- Any **outstanding fees** will be collected upon arrival; make sure to bring receipts and a checkbook if money is owed.

Swim Checks: Swim checks will be done at camp, in the lake, under the watchful eye of the Aquatics Director and the lifeguards and will take place on the first day of camp. All campers, youth and adults, must have a swim check done to participate in *any* water activities.

MAIL AT CAMP:

Campers love to get letters and packages at camp! Make sure to give ample time to get mail to your camper by planning ahead; a letter or package can take up to 4-5 additional days to be delivered to camp. If you send something to your camper, please make sure to address it as follows:

Camper's Name

DEPARTURE

Departure on the last day of camp will be no later than 10:00am. Please remember to leave your campsite better than you found it (Leave No Trace). Make sure to collect your departure packet before you leave (includes medical forms, patches, etc). A staff member will be there to assist if needed.

MEDICAL FORMS, MEDICATION, AND HEALTH LODGE INFORMATION

Medical Forms: The Scouting America Health and Safety Form (Medical Form) is required for every person, youth and adult, attending summer camp. Forms can be found at www.pccscouting.org/camping.

- For those attending the Cub Scout sessions: Parts A & B will need to be filled out completely.
- For those attending the Webelos/Arrow of Light session: Parts A, B, & C will need to be filled out (part C requires a doctor's visit).
- Make a copy of your health insurance card and attach to the medical form.
- Forms will be kept at the Health Lodge and will be returned at the end of camp.

Health Lodge and Medication: The staff at our health lodge are trained and certified medics. They will be ready and waiting if a need arises. When you arrive at camp, your medical forms will be given to the medic and reviewed individually for any medical needs that may be unique to that person. If you have any concerns or need to relay specific information to the medic, please do so during the camp tour on the first day. All prescription medications need to be kept at the health lodge. The only

exception is a medication, such as an epi-pen, for life-threatening conditions. **All medications must come in original containers.**

SPECIAL NEEDS

We recognize that individuals can have specific concerns or needs, such as dietary restrictions, sleeping concerns, access to facilities or other physical needs. In order to plan accordingly, fill out the Special Needs section in your reservation at least **two weeks** prior to your arrival. For your convenience, the menu will be added to the website and can be found at www.pccscouting.org/camping.

MEALS AT CAMP

All meals (except for the outbound experience during Webelos/AOL session) are served in the dining hall, buffet-style. We sit as a camp family, which includes the camp staff. Please remember to help clean up when instructed at the end of the meal before heading out to your next activity.

VISITORS

We welcome visitors to our camp! Anyone that is visiting and not staying overnight at camp will need to check in at the Administrative Office when they arrive at camp. If a visitor will be staying for a meal, camp management will need to know in advance. Meals are \$10.00 each, paid in advance at the trading post. Any visitor that will be staying overnight will need to pay a \$25.00 overnight facility use fee, plus any meals; overnight guests will also need a medical form, parts A & B. Visitors will also need to check out at the Administrative Office upon departure.

INTERNET AND PHONE COVERAGE

We encourage you to unplug while you are at camp and enjoy your time with your Cub Scouts. There is no internet service at camp. Cell phone service can be available depending on your provider. Cell phones can be recharged at the Administration Office (please ask staff where).

ADULT LEADER MEETINGS

Camp staff will be hosting daily leader meetings and each pack is encouraged to send at least one representative to attend (if not more). These meetings are meant to share more of the camp program and what to expect over the next 24 hours, voice any concerns, ask questions, and to share praises of the staff. Check the schedule for the time of these meetings.

Contacting Campers in an Emergency

The landline at camp is for EMERGENCIES ONLY. If someone needs to get ahold of camper in an emergency, the landline number is **541.949.8189**. For non-emergencies, please contact the Scout Office at **541.485.4433** and your message will be delivered.

YOUTH PROTECTION AND ADULT LEADERSHIP RESPONSIBILITIES AT CAMP

Camp McLoughlin will follow the Scouting's Barriers to Abuse adopted by the National Council of Scouting America and the Pacific Crest Council. These policies mainly protect youth members, however, they also protect adult leaders. All parents, caregivers, and registered leaders should be familiar with, understand, and actively implement the safeguards and youth protection strategies.

Adult Supervision: All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. Registration as a merit badge counselor position does not meet this requirement. See [FAQ](#) for list of approved adult registration fee required positions. *Limited exception below for Cub Scout overnight Programs.*

Cub Scout Programs – Overnight Exception: Cub Scout parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the “[How to Protect your Children from Child Abuse: A Parent’s Guide](#)” that can be found in the front of each Cub Scout Handbook. In addition, the parent or legal guardian must be accompanied by a registered leader at any time they are with youth members other than their own child/ward. All other overnight adults must be currently registered in an adult fee required position.

Responsibility: Adult leaders and youth members share the responsibility for the safety of all program participants, including adherence to Youth Protection and health and safety policies. Adult leaders are responsible for monitoring behavior and intervening when necessary. Any individuals that engage in any unacceptable behavior will be immediately asked to leave camp, will forfeit a refund of fees, and may have their membership in Scouting America revoked. All leaders are required to adhere to the Scouter Code of Conduct.

Reporting Requirements: Adult leaders and youth members have responsibility to recognize, respond to, and report youth protection violations and abuse. Youth Protection policy violations must be reported to the Scout Executive and an incident report must be filed. Mandatory reporting of child abuse must be made to local law enforcement and child protective services. Reporting to the Scout Executive or Scouts First Helpline ensure that follow up can occur for the safety of our youth.

State of Oregon Hotline: 1.855.503.SAFE (7233)

Scouts First Helpline: 1.844.SCOUTS1 (726.8871)

OTHER THINGS TO KNOW ABOUT CAMP

Electronic Devices: Camp McLoughlin asks that electronic devices stay home and not be used in program areas unless they are being used for taking pictures. They are a distraction to the program the staff has created.

Alcohol, Tobacco, and Drugs: Alcohol, tobacco, vaping, marijuana, and illegal drugs are prohibited on any Scouting America property (this includes the parking lot). Violations will result in immediate removal from camp.

Firearms and Fireworks: Firearms, even with a concealed carry permit, and fireworks are prohibited on camp property. Violations will result in immediate removal from camp.

Emergency Procedures: Camp McLoughlin and the camp staff have an emergency procedure plan. This includes situations such as lost swimmer, lost Scout, forest fires and other natural hazardous weather conditions, and other general emergencies. A copy of these procedures can be found at the Administration Building and the Health Lodge.

Pets: There are no pets allowed on Scouting America properties, except for registered Service Animals.

Wildlife: Do not attempt to touch or feed the wildlife at camp. All food should be stored in boxes or coolers with tight-fitting lids. Report any strange behavior by wildlife to a staff member. This includes showing no fear of humans, biting, charging, scratching, etc.

Liquid Fuels: Liquid fuels (lighter fuel, propane, white gas) present a potential fire hazard. They should never be inside a tent. Only adults can use liquid fuels while at camp.

Campsite Fires: Camp McLoughlin abides by Forest Service regulations. If fires are allowed, they must be contained in the designated pits.

Bathrooms and Outhouses: Outhouses (KYBOS) are located at each campsite and throughout camp. There is also a brand-new shower house located near the Nature Building. In order not to overload the water system at camp, please be courteous to others and take short showers. Showering times may be limited to certain hours of the day. More details will be shared during the Leaders Meeting.

Lost and Found: Lost and found is located in front of the Administration building. If you realize you've left something at camp after your pack departs, please call the Central Point Scout Office to see if your item(s) were found. Any unclaimed items will be donated to charity.

Trading Post: Camp has a fully-stocked camp store. Items include souvenirs, toiletries, snacks and drinks, and other miscellaneous camp items. It is recommended that each camper bring \$30-\$40 to spend, but that is up to the discretion of their parent(s). It is the leader's or parent's responsibility to help monitor the Scout's spending. Items range in price from \$.25-\$50. Cash or card are accepted. **A parent/leader must be present in order to purchase a knife; knives may only be used under adult supervision in designated spots in camp.**

ONLINE CAMP SWAG! Camp McLoughlin will be hosting an online store prior to camp! A select number of items will be available to pre-purchase and will be ready for pick up when you arrive at camp. Go to www.pccscouting.org/camping for the link to order your

swag!

Cub Scout Rank Requirements Earned at Camp: Our staff does their best to make camp fun and exciting and create opportunities for experiences that the Scouts might not otherwise have a chance to do (shooting sports and swimming, for example). Although working on advancement opportunities is not the goal of summer camp, Camp McLoughlin does want to recognize any requirements that may have been earned at camp. A list of those requirements will be sent home at the end of camp and it is up to the den leaders to mark off those earned.

POLAR BEAR SWIM

During your time at camp, there will be at least one opportunity to get up with the polar bears and do an early morning swim. The lake is beautiful at this time of day and everyone is encourage to give it a try!

BOB TIME

BOB time, or Bodies on Beds, is a rest time right after lunch. This is a chance for all scouts to hit the reset button before their afternoon adventures.

FREE TIME/OPEN PROGRAM

After stations conclude each day, time will be allotted for free time. This is the perfect time to explore camp with your buddy, check out the trading post, or just hang in your campsite. Activities will be different than normal station time and will be shared during the Leaders Meeting.

NEW THIS YEAR!

The Webelos and Arrow of Light camp has been designed to be a bridge from Cub Scout Camp to Scouts BSA camp. With an additional day added, there will be plenty of time for fun and adventure on a whole new level. The program creates the opportunity for the Scouts to be a little more independent. The morning rotation will continue to hit all the traditional areas of camp: waterfront, shooting sports, Scout skills, camp craft, and nature; in the afternoon, the options of activities will be more of a “choose your own adventure” style. A new outbound program will give the Scouts the opportunity to spend the night under the stars in a shelter they build and practice skills such as first aid and outdoor cooking.

Preparation & Packing

In addition to their regular packing list, Scouts and leaders should consider bringing:

- **Tarps** – Useful for ground cover or rain protection.
- **Small Tent** – Lightweight and easy to transport.
- **Backpack** – To carry essentials to and from the campsite.
- **Warm Clothes** – Even in summer, temperatures by the lake can drop at night.
- **Extra Flashlight**

Leaders should ensure Scouts are prepared for a night outside of camp and remind them of the Leave No Trace principles.

SEE YOU AT CAMP!

CAMP RULES: THE “S” RULES

Safety of our campers, visitors, and staff is our number one priority. The following rules have been made as an easy way for our campers to remember how to stay safe while at camp. Please help by practicing these rules with your Cub Scouts and set the example by abiding by them.

1. **SLOW DOWN.** (There are a lot of trip hazards at camp, so be careful.)
2. **STAY WITH YOUR BUDDY.** (It is always more fun with a buddy anyway, so don't forget to keep him/her with you at all times.)
3. **STAY SAFE.** (Always follow the safety rules, especially when at the waterfront or on the shooting range.)
4. **SHOES STAY ON YOUR FEET.** (Closed-toed shoes are required; flip-flops or sandals can only be worn in the shower.)
5. **SANITATION.** (Remember to always wash your hands after you use the bathroom and before you eat.)
6. **STICKS AND STONES STAY ON THE GROUND.** (We know they are fun, but they can easily hurt our friends.)
7. **STAY HYDRATED.** (It can be very hot at camp, and it is important to drink lots of water.)
8. **STAY WITHIN THE BOUNDARIES.** (There can be a lot of traffic on the road to camp and near the lake; staying within our camp boundaries will keep everyone safe.)
