

Liberty in Action America 250 Challenge Patch

As America marks the 250th anniversary of the signing of the Declaration of Independence, Scouting America invites you to explore what citizenship and community mean today. Take on creative challenges, visit historic places, and team up with friends and family to celebrate the spirit of our country.

The Liberty in Action: 250th Anniversary Challenge brings together Scouts from all programs to explore America's founding principles, connect Scouting's long tradition of civic service to our national story, and take meaningful action in their communities. Running from March 2026 through February 2027, this program blends learning, creativity, service, and reflection – offering Scouts, leaders, and families a powerful way to participate in America's semiquincentennial.
