

Pacific Crest Council Camp Staff Application

The Pacific Crest Council is hiring for our three resident camps. Each camp has a week of staff training, plus the full season listed below. With such a short season, staff that are hired are expected to fill their contract fully. If there are dates that you are not available, please share those with the camp director during the interview process. The minimum age for paid positions is 16 years old. Key director positions require a minimum age of 18 or 21 years old, depending on the position and responsibility.

Counselor-in-Training: Scouts 15 years old (as of July 1) can be trained as summer camp staff through the counselor-in-training (CIT) program by volunteering two or more weeks, experiencing what it is like to work at summer camp. At Pacific Crest Council camps, CITs must attend staff orientation and other mandatory camp trainings.

Adult Volunteers: To help supplement the camp staff, we welcome volunteers over the age of 18 to give their time and expertise to one or more weeks during the summer. Positions may include serving as a commissioner, health officer, assistant ranger, camp chaplain, and more.

Scouting America Registration: All camp staff, paid or volunteer, must be registered with Scouting America as Camp Staff, including a mandatory background check (for anyone 18 or older) and a Safeguarding Youth Training certificate.

Please rank (1=first choice, 2=second choice, etc.) each camp(s) you would like to work at.
